June 2004

## Lincoln Park Early-O, June 20, 2004

—Max Suter

The June meet was supposed to be on Mt. Lemmon. However, the area covered by the Organization Ridge map is partly burned, and no permit could be obtained for Bear Wallow. As a substitute, I am offering at Lincoln Park in the very early morning, before the heat, three courses, Brown, Orange, and White (advanced, intermediate, and beginner courses), with an approximate winning time of 40 minutes each. As usual, you are welcome to run a second course for free, if a 40-minute work-out is not enough for you.

Lincoln Park has an intricate spur-reentrant system. The map, with a scale of 1:3500 and a contour interval of 5 ft (1.52 m) is very detailed. The terrain is fast because of the dense trail network.

Start and Finish will be at Ramada 5. The access is from Pantano Road (south of its intersection with Escalante Road). The Park opens at 6 a.m.

Pete and Judy Cowgill (887-1514) will be the meet directors. Please, volunteer with timing, registration, or control retrieval—and don't forget to bring a hat and sunscreen.

**Directions:** From 22<sup>nd</sup> Street and Kolb, go east to Pantano Road (on the west side of Pantano wash, *not* Pantano Boulevard on the east side of the wash). Turn right (south) and continue past Escalante Road to the park entrance, on the east side of the road.

**Schedule:**

6:40 a.m. Registration opens; beginners' clinic.

7:00 a.m. Courses open.

8:30 a.m. Last start.

9:30 a.m. Courses close, begin control retrieval. (Good orienteering practice. Volunteer with the meet director before 9 a.m.)

**Fees:** \$5/individual, \$8/team for members of any recognized orienteering club. \$10/individual, \$15/team for nonmembers. Compasses rent for \$1. Safety whistles sell for \$1. Every person, all courses, all meets is required to carry some type of safety whistle.

**Check-In:** To insure that all are safe, everyone, whether finished with the course or not, must check in formally at Start/Finish before leaving the meet site.

**Newcomers:** Go directly to Registration. Ask for instructions and introductory information. To attend the

beginners' clinic, arrive between by 6:30 a.m.

**Route Choice Reviews:** Between 9 and 9:30 a.m., an advanced orienteer will be available near the Start/Finish area to discuss route choices with returning participants.

## Summer Events Elsewhere

Want to get out of town? Those hot days are coming, all too soon.

Short notice for this one, but the Los Angeles Orienteering Club is holding a two-day Pacific Ranking event at Mt. Pinos on June 12 and 13. Contact [smittyto@earthlink.net](mailto:smittyto@earthlink.net) if you are interested.

How about the great northwest? Seattle's Cascade Orienteering Club is holding the Seattle Night & Day, an urban rogaine "held in a city of sparkling blue waters, glacially carved hills, long dry summer days and cool summer nights." Sound good? It will be July 17-18, and includes a bike division. For further information, check out [www.seattlenightandday.com](http://www.seattlenightandday.com). (That is the same weekend as our state champs at Lake Mary, which should also be cool.)

Then there is the favorite of many of our members, who try to attend every year, and that is The Rocky Mountain 1000-Day event, which will be held July 29-August 8 in Laramie, WY. You can find information about this at [www.geocities.com/Colosseum/Stadium/7418](http://www.geocities.com/Colosseum/Stadium/7418), or you can e-mail Meet Director Mikell Platt at [wmikell@earthlink.net](mailto:wmikell@earthlink.net) with questions.

## Silverbell, April 18

—*Gregg & Pat Townsend*

We had a beautiful day for the meet, sunny but not too hot, which brought out a good-sized crowd. Thank you to **Jason and Bob Bowman** for setting five great courses.

As usual, there were a lot of volunteers who helped out. We'd like to thank **Dave Barfield, Ludwig Hill, Jim O'Donnell, Jim Stamm, and Donald Hinks** for helping us retrieve controls. Thanks also to **Jim and Josh Stamm** for hauling some of the meet equipment.

A special thanks to passersby **Dianne and Frank Bowyer** for changing a retriever's flat tire.

And kudos to Mike Thompson for honorably reporting his own disqualification. Due to crowds, he took some controls out of order.

### RED, 10 controls, 6.1K, 80M

1M	Rod Gray	52:39
2M	Max Suter	59:46
3M	Ludwig Hill	63:11

## Get Your WRC6 Shirt

There are still WRC6 T-Shirts available. Get yours before they are gone! Let the bright yellow Arizona flag knockoff tell of our glorious event! (See design above.) If:

- You volunteered in any fashion and have not yet received your shirt,
  - You were a registered participant and have not yet gotten your shirt, or
  - You would like to buy a T-Shirt for yourself (\$15 + \$3 s&h),
- e-mail me directly at [blc@u.arizona.edu](mailto:blc@u.arizona.edu). Send your mailing address and size information.

**Beckie Copeland**

**Interim T-Shirt Coordinator**

## E-mail Discussion Group

Tucson Orienteering Club has its own discussion group. It is maintained as Tucson "O" Club by Topica, and is an e-mail based service. You must be subscribed before you can read or send messages.

To subscribe, send a blank message to: [TucsonOrienteering-subscribe@topica.com](mailto:TucsonOrienteering-subscribe@topica.com). To send a message, simply address it to: [TucsonOrienteering@topica.com](mailto:TucsonOrienteering@topica.com). It will then go to all the list subscribers. To unsubscribe, see the Unsubscribe link at the bottom of any message.

For more information about this list, visit: <http://www.topica.com/lists/TucsonOrienteering>. Any problems, questions, or concerns can be sent to Jim Stamm, the E-Group Moderator, at [JimStamm@ComCast.net](mailto:JimStamm@ComCast.net).

## Newsletter Submittals

The deadline for newsletter items is shown in the monthly calendar. Please try to meet the deadline, or call the editor if there is a problem. All members are invited and encouraged to send informational or opinion articles on any orienteering topic.

Phone: 296-2108 Fax: 290-8071

E-mail: [loiskim@aol.com](mailto:loiskim@aol.com)

US mail: 9055 Calle Bogota

Tucson, Arizona 85715.

# Sixth World Rogaining Championship

—*Peg Davis*

The 6<sup>th</sup> World Rogaining Championships held May 8 & 9, 2004, were the culmination of two years' efforts. In 2002, John Maier and I felt that the Tucson Orienteering Club was ready to bid for the World Champs. We had successfully hosted two North American Championships in 1997 and 2001. Twelve Arizona rogaines had established the club as an American bastion of rogaining. John and I felt that the club could cope with the reputation-making challenges and put in a bid.

One word defines the preparation for WRC6: work. As course setter, John spent weeks first searching for the best possible site, then building up his GPS mapping skills and painstakingly improving the USGS base map. As event director, most of my time was spent lining up people and materials for the largest TOC event to date. An astounding number of people spent an astounding amount of time working on this meet. The minor activity of stuffing registration and map packets alone took about 10 people nearly 6 hours on a Sunday afternoon. Many worked alone setting up their areas of responsibility. Lots of us learned new business type skills. From this project, I learned that I never want to be a businessperson. One indisputable gain for TOC has been the great increase in high-tech mapping techniques.

I am very proud and happy to announce how well received the event was by the world community. For specific rogainer's comments, see the "thanks to volunteers" article. There is a lovely tradition in the rogaining world of participants sending thank you notes after the event, so let's bask in the glory. Almost every rogainer's comment on first arriving was how beautiful the site was. The second was "Holy cow! Flush toilets!" We rented an entire commercial campground for the weekend. While this was a new expense for an Arizona rogainer, this obviated the need for renting portapotties and a water truck and gave us a large usable area for a separate results area, first aid tent, and a circus-tent-sized hash house. Another first was having paved road all the way to the start triangle. This allowed us to fulfill the requirement by International Rogaine Federation rules to provide a shuttle bus to the event. If only the bus would have arrived at Sky Harbor Airport for the pickup less than 90 minutes late, those competitors could have gotten a decent night's sleep, but they were very good sports about the inconvenience.

The weather gods smiled on us all weekend. When I first saw the site in April, it lay under a foot of fresh snow, but by May 8<sup>th</sup> that had dwindled to a few small drifts protected by forest. The nights were cold but not frigid and the days were mild and slightly overcast. Most marshes had dried up, but neither dust nor wind were pesky. One challenge was the 9100' elevation. Hash house workers found themselves choosing to speak in short sentences and rogainers were more severely affected. Many teams complained of symptoms of altitude sickness—nausea, headache, fatigue—and felt their performance did not meet their expectations. Significantly, the overall winners reported no altitude effects in their course narrative.

So much work had been done in preparation for the event, and so many people worked so hard at the event, that the only problems which cropped up were minor and quickly solved. Things ran so smoothly that the rogainers had to stand around and relax for the last few minutes before the 11 a.m. start because all announcements and staging ran ahead of schedule.

We made a large effort to have this be the fairest rogainer possible. Complaints about cheating have been growing over the years. We tried to combat this by warning all readers of the event website months in advance that all rules would be strictly enforced, giving each rogainer a copy of the rules for competitors, having the international jury mandated by IRF rules prepared before the event, and sending patrols of non-competitors out during the event to observe rogainers in the field. While the patrols saw no problems, another competing team did. They felt they saw a team in which, as the faster member punched, the slower member did not come within 20 meters of the control before arcing off on a route to the next control. The international jury was rounded up from the hash house and campground immediately after the event while results were being tabulated. We all reviewed the rules for challenges, picked a 3-member voting jury and interviewed all rogainers involved. The jury felt that the accusation had merit and recommended that the points for that control be deducted from the accused team's score. I want to thank the jury, those who went on "cheater patrols" and, most importantly, the rogainers themselves for their efforts to keep rogaining fair so that it can be fun for everyone. It is a game, you know, and a score achieved by cutting corners is nothing to be proud of.

The overall winners, Mike Kloser and Michael Tobin, were. . .gulp. . . first time rogainers. Read their account of the rogainer on the WRC6 website, along with many other narratives. After the awards ceremony, second place team and defending champions Greg Barbour and David Rowlands kindly drew their route on the giant map and explained their approach and how it was altered out in the field. Once again, they demonstrated that great athletes are often great thinkers and great sports.

The 380 participants came from 15 countries and 33 U.S. states. Being at the meet, surrounded by happy people pursuing a common interest, gives hope that our community demonstrates how the world can really be: coming together to enjoy each other and the beauty of the world.

---

# Thanks to WRC6 Volunteers!

—*Peg Davis*

I would like to thank all the people who worked so hard, yes, even slaved, to make WRC6 a success:

**The WRC6 board of directors:** John Maier, Jeff Brodsky, Jeff Berringer, Jeff Brucker, Yen Chamberlain, Rachel Gelbin, Ludwig Hill, Wilkey Richardson;

**The loyal crew of volunteers:** **Phoenicians** Mark Sharp, Karla Sharp, Anas Orfali, Bryne Orfale, Sheryl Berling-Wolff, Paul Milo; **Out-of-staters** Jeanne Walsh, Nancy Aucella, Carrie Dryzyzga, Bruce McAllister, Carl Moore, Linda Moore, Ken Peters, Scott Donald, Barb Bryant, Piers Newberry; **Tucsonans** Pat Penn, Helen Deluga, Claire Rogers, Bob Rogers, Gail Brodsky, Robbyn Lennon, Lou Sampson, Joy Florence, Bill Florence, Keith McLeod, Fran Boyd, Ruth Wenberg, Phil Kirby, Ruth Kirby, Connor Cobbledick, Chris Wallace, Mark Everett, Jim DeVeney, John Keller, Rachel Johnson, Jim O'Donnell, Jim Stamm, Larry Guerrero, Sue Wenberg, Becky Copeland, Nadine Gruhn, Pete Cowgill, Michael Rule, Sasha Savine

**Apache Search and Rescue for first aid and control retrieval:** Jonathan Hill, David Woods, Steve Booth, Holland Taylor, Kassie Law, Carlos Quihuis, Matt Planteen, Megan Taylor, Becka Watkins, Elizabeth Planteen, David Line Denali, Jake Stevens, Seth Copeland, Alexia Watts, Chris Mathews, Mike Colwell, Rye Sluiter, Steve Brown;

**The generous people who loaned equipment to use for the event,**

**Cookiemakers** Brad and Yvonne Poe, and.....

**the people whose names I unfortunately never got.**

**Plus a special thank you to:** Bill Gookin for his generous sponsorship of WRC6 with copious amounts of Gookinaid.

This was an especially important event to provide a little electrolyte support for competitors due to the demands of rogaining at 9000' and we are grateful to have so much Gookinaid at the hash house to resuscitate them with. Bill also gave us 1 liter packets for people to carry with them out on the course. But don't take my word for what a success the Rogaine was. Here's what others said about the event: To John, Rachel, Peg and all the volunteers, thanks for a fantastic event. Finally, a special thanks to my wife, Carri, for helping out at the HH with card control and finish line duties.

Benoit Chagnon

Thanks to your club for a great event at the WRC. I was most impressed and it was by far the best rogaine I've ever attended.

Brad Hunt

On behalf of Randy Johnson and myself (team 135) I would like to thank you for putting on such a great event. Your crew did an outstanding job and as such reflected positively on your club and I strongly believe on our country as a whole. Since this was our first 24 hour rogaine, it was a pleasure to be able to focus on the event and not worry about race logistics. We both took away a great deal of learning experiences.

Garth Reader

I wanted to thank you and your staff for putting on a first class event for the World Rogaining Championships. I was very, very impressed by the terrific course, perfect terrain, great location, and impeccable organization. It was clear that all of you knew what you had to do and executed flawlessly. Your efforts made for an enjoyable and rewarding competition and mini-vacation.

Thanks again, Mark Hartinger

You guys put on an excellent event. Even though we didn't have a good race, we still enjoyed it—especially the hash house where we seemed to spend a little too much time. Great food, and great hosts! In the dark of night, we thought we saw a mountain lion near control 83(?), and fixed our lights on it. Our apologies to the napping racer. haha. Shined him good.

John Freese

**Congratulations to ALL the competitors.**  
**We hope you enjoyed our Rogaine,**  
**our weather,**  
**and our beautiful state of Arizona.**

Continued from page 4

wonderful event. The terrain, maps, courses, weather, food, meet staff...everything...was great! We really had a good time!

Dick and Nancy Neuburger

You and your gang did an \*amazing\* job with the WRC. Talk about setting a standard others are going to find hard to follow—wow! Thanks so much for it!

Mikell Platt

What a great event you folks put on! I'd have to say, hands down, that was the best run, best marked course, and best hash house I've ever had at any Rogaine! Really! You guys did an excellent job!!

Todd Holmes

First of all, great job! We had a great experience at the Rogaine World Champs. We loved the terrain, the course and the super friendly company.

Michael Tobin

To all members of the organizing team—I'm now back at sea level in Australia after the long flight from LAX and wish to congratulate you on a fantastic event. This was only my 2nd 24 hour race and it was certainly a lot of fun, due not only to the nature of the terrain but also to the setting of the course and every other aspect of the way in which the event was organised. Well done all, as it is good planning and organizing that will assist to lift the profile of the sport. The "Ozzie" organisers will have a decent sized pair of shoes to fill leading towards WRC7. Hope to see you here in Australia in 2006!

Best regards, Jeremy Scriven.

The Tucson O' Club, led by John Maier as mapper and course setter, did a superb job as host. There were a lot of rogainers there from other countries, and I'm sure they will be going home with very positive memories of rogaining in the USA.

Peter Gagarin

What a fantastic Rogaine! Many thanks to you, Peg, and to Jeff, and of course John, and Rachel, and all the rest of your hard working crew of Tucson Club members and volunteers for putting on a very worthy World Rogaining Championships! It was terrific. Please pass on our thanks and appreciation to everyone involved.

Sharon Crawford

Continued from page 9

Many thanks to you and your staff for putting on such a great meet!

Good work, Bob Lux, UNO

Peg and team: Great job with the 7th World Rogaining Championships. The people I spoke to all had a great weekend, were very complementary regarding the course and hash house, and most appreciative of the hard work that goes into running such a major event outside the confines of a city.

Could you please pass on my special thanks to Mark and Carla for providing the lift back—I think I slept through 98% of the journey, but they really saved me a lot of trouble by being able to get to my plane on time.

Neil Phillips

Great event! Beautiful terrain, difficult course and lots of friendly people.

Joe Brautigam

Awesome event! Thank you very much for providing a spectacular meet. Everything from the course layout, maps, setter notes, food, camping, etc were definitely world class.

Thanks again, Eugene Trahern, PE, SE, ARM

I was extremely impressed with the event organization, and especially with the course-setting. Wolfson (the course setter) must have spent many many days out there designing the course and setting the 64 controls. I looked for Wolfson at the Hash House, wanting to thank him for the extreme effort that he put into setting the course, but I never was able to meet him. Wolfson, thank you very much. Your effort and love of this sport provided a fantastic experience for several hundred grateful rogainers. To Peg and all the other volunteers from the Tucson Orienteering Club, thank you for the wonderful job of organizing and directing the event. You have helped create at least two new devotees to the sport of rogaining.

Ed Furtaw

The organizers did a great job. Thanks everyone. It was great fun.

Jim and Sue Waddington

Many thanks to **Jeff Brodsky and Pat Penn** for these pictures. What beautiful scenery! I wasn't able to attend this year, and really regret it. (And what a shame too that this newsletter is in black and white.)

*Lois Kimminau, Editor*

## CLUB CALENDAR

2004				
June 20	Lincoln City Early-O	Max Suter (797-8850)		Pete & Judy Cowgill (887-1514)
June 27	Newsletter deadline. See submission information box on page 2.			
Jul. 18	Lake Mary	Jeff Brucker (886-2528)		Jeff Berringer (512-4685)
Aug. 15	Greasewood City Park--Clinic	Jeff Brucker (886-2528)		Jeff Brucker (886-2528)
Sep. 19	Greasewood City Park	Ludwig Hill (299-9041)		Ralph Prince (323-9417)
Oct. 30-31	Bomboy Mine (State Championships)	GPHXO**		GPHXO**
Nov. 21	Kentucky Camp	Ludwig Hill (299-9041)		
Dec. 11	Saguaro Lake	GPHXO**		GPHXO**
Dec. 19	Cat Mountain			
**For information on GPHXO events, check their website at <a href="http://www.geocities.com/phxo">http://www.geocities.com/phxo</a> , or e-mail them at <a href="mailto:gphxoc@yahoo.com">gphxoc@yahoo.com</a> . Let's support our sister club.				

**TSN Club meets are held regularly on the third Sunday of the month, year-round.**

**Experienced course setters are usually happy (with advance notice of about a month) to work with apprentices who want to learn to set courses. If there is enough interest, separate training for course setting can be organized.**

**Directing a meet consists essentially of setting up and supervising the Registration and Timing areas, with help from other volunteers. Teams of two are encouraged.**

**Please call Jim Stamm at 575-0830 if you can help with any of these meets.**

The New Mexico Orienteering Club has events planned for June 20, July 24, August 21, and September 18, plus a mini-Rogaine in either October or November. For information on these events, e-mail Judy Opsahl at [opsahl@losalamos.com](mailto:opsahl@losalamos.com). This is a new club trying to get started, so if you are going to be in their area, give them your support.

*Note: The August 15 clinic at Greasewood City Park is open only to those who volunteer their time, in any capacity, whether it be as an officer or board member, or helping to put on a meet. It is being offered as an incentive to all our members to become involved in the club. If you have volunteered recently, or have signed up to do so in the future, you are eligible. Please call Jeff Brucker at 886-2528 if you have any questions, either about your eligibility or about the course itself.*
