13 orienteers braved Tucson's summer heat for a score-o training race at Greasewood Park. **Mark Everett** was the best at dodging cacti and bested the practice event with all controls in just under half the allotted time. **Jodi and Claudia Rickel** earned the crowns for best women and team.

Special thanks to Peg Davis, Mark Everett and Ludwig Hill for assisting in control retrieval.

See everyone at the next event at Palisades on 21 June, for a Father's Day orienteering in the beautiful Catalina Mountains.
