A beautiful day for orienteering in Tucson and Reid Park provided the perfect venue! This was a Motala style event with three different loops, where participants could choose the loops they wanted to complete.

**Daniel** came down from Phoenix and finished strong on Loop C to log the fastest time of the day. **Team Tubac** kept a steady pace and took the top spot of the teams. A big thanks to **Robere** for helping with the beginner's clinic. For many of the participants this was their first orienteering meet in Tucson and for a couple this was their first ever orienteering meet! It was great to meet new orienteers and catch up with old friends. Keep up with the Tucson Orienteering Club on the club's website ([www.Tucsonorienteeringclub.org](http://www.Tucsonorienteeringclub.org)) and Facebook for notices on future events. The [Phoenix Orienteering Club](#) also has a few events in the near future. We hope to see everyone at a future orienteering event!
