## PRESIDENTS MESSAGE

Dale Bruder, TOC President

Happy New Year orienteers! Thanks goes to Keith McLeod and Terry Welsh for a fine and difficult day on Dec. 11th. at Saguaro Nat. Monument, East. When I came in last on the advanced.

We have a new Board of Directors, meets scheduled through June, and a series of educational and planning activities on line.

The Tucson Orienteering Club was established about five years ago by John Maier, Keith McLeod and Dennis Orrico. Orienteering events have occurred an average of once a month since then. We have a core of Course setters, meet Directors, and Veterans. Many volunteers have helped make each event a success. Thanks to everyone who made 1988 a great year.

The 1989 Bd. of Dir. are: Dale Bruder, Pres.; Dan Cobblecick, V.P.; Marilyn Cleavinger, Sec./Pres.; Keith McLeod, Equip. Dir.; Peg Davis, Newsletter and Press Releases; John Maier & Dale Cole, Map Directors.

A hearty thanks to John Little, past Membership Director for his timely updates of the mailing list, even while in San Francisco on his sabbatical. Lee North is our new Membership Director.

A month long orienteering class room and field exercise course is available in Feb. thru PCC. The non-credit sessions are Thursday evenings and Saturday mornings, including the Tucson Mtn. Meet on Sunday, Feb. 12th. Look for your PCC catalog in the mail this month. Sign up!

Members of Boy Scout Troop 105 are working on their Orienteering Merit badges. Look for them in February.

April is Arizona Orienteering Championships month. TOC is hosting two days of competitions at Cave Creek near Sonoita on April 15 & 16. Recreational courses are also available just for fun.

John Maier's dream for the TOC is a series of five color maps. He established a map fund fueled by one dollar from every entry fee. The fund has

been growing steadily. This year Maier and Dale Cole are devoting their time and energy to bringing that dream closer to reality. Three areas they'll be concentrating on are Cave Creek, Lincoln Park, and Saguaro Nat. monument, East.

June is USOF National Convention month. This year the workshops and meets will be near Colorado Springs, CO. June 23-25. We have alot of talent in our club. Lets have a strong showing.

Anytime you have comments and suggestions to improve local orienteering, contact any member of the Board:
